

Following the Extraordinary General Meeting of Wx Alliance, held on May 22, 2026, the association's members proceeded with a partial renewal of the board.

This meeting was held in response to the recent resignations of several board members. The statutory roles remain unchanged. No amendments to the bylaws or internal regulations were adopted at this meeting. Only the list of board members was renewed, in accordance with the association's operating rules.

The Wx Alliance board is now composed as follows:

- President: Patrick Lalemand
- Vice-President: Julian Siegwald
- Treasurer: Jean-Luc Fruttaz
- Secretary: Étienne Neuville

Members present or represented at this Extraordinary General Meeting confirmed their commitment to continuing the activities undertaken by Wx Alliance, in accordance with its mission, bylaws, and internal regulations.

This renewal aims to ensure the continuity of the association's operations, strengthen its internal organization, and continue representing PC Soft product users in a spirit of responsibility, dialogue, transparency, and advocacy for collective interests.

The formalities relating to the new board composition will be completed with the relevant authorities, in accordance with the obligations applicable to associations governed by the law of July 1, 1901. Wx Alliance thanks the outgoing board members for their past contributions and welcomes the new members who will contribute to the association's continued growth and development.
